

IN PARTNERSHIP WITH PHREESIA

We're excited to offer contact-free appointment registration and mobile check-in to help save you time and minimize your exposure to COVID-19! Use our contact-free registration from any smartphone, tablet or computer from the privacy of your own home. This allows you to complete some of the health questions and screeners at your own convenience. Save time and ensure your information is always up to date by taking advantage of this contact-free solution.

safe.

Have peace of mind knowing we're working with industry leading professionals to keep your health information private and secure.

simple.

No apps or downloads required! Our registration solution allows you to complete your pre-appointment paperwork on your smartphone, tablet, or desktop computer.

socially
distant.

Complete your pre-appointment paperwork online from the convenience of your home or vehicle, and spend less time in line limiting your exposure to COVID-19. Our team can alert you via messaging when your provider is ready for you; all while you wait safely outside our facility.

1
